- 5 **Tulip Negrita**: Deep purple. 18".
- 5 **Tulip Rembrandt's Favorite**: Snow-white, blueberry-purple flames. 22".
- 5 **Tulip Shirley**: Yellow to ivory, raspberry to purple flames. 22".

Paperwhite Ziva

An improved selection of Paperwhite Ziva from only the finest growers, this longtime favorite yields large trusses of fragrant, snow-white flowers with up to three stems per bulb. Flowers in four to six weeks after the top growth is at least 1 1/2" tall. Best potted from mid-October to the end of February. Topsize bulbs: 17 cm/up.

Oriental Lilly Mix

- 3 Oriental Lily **Casa Blanca**: White.
- 3 Oriental Lily **Corso**: Rose-pink, raspberry speckles and a yellow throat.
- 1 Oriental Lily **Garden Party**: White, pale yellow, raspberry.
- 1 Oriental Lily **Muscadet**: White, rose-pink midveins and raspberry speckles.

Narcissus Sound

Occasionally producing multiple stems per bulb, this Karel van der Veek naturalizer has creamy-white petals and an golden-orange, disk-shaped cup with a darker, melon-orange, ruffled rim. A bit fragrant,

Misty Glen

This stunning beauty is luminous, blue moon-white with overlapping, satin-smooth petals and a barely flared, cylindrical cup with a hazy green eye and slightly scalloped edges.

Fragrant Narcissus

This exquisite mixture includes the most fragrant varieties from the among the Jonquilla, Tazetta and Poeticus classes.

Tulip Flair

Overwhelming vibrance . Its intense raspberry-red flowers have feathered, golden-yellow petal edges and interiors for a radiance that is hard to imagine, or believe.

Allium carinatum

deep, lustrous beauty varying shades of tangerine-orange, nasturtium-red and persimmon with a warm pink glow and an interior black base narrowly edged in dresden-yellow. Bulb size: 12 cm/up. Late

Apricot Impression

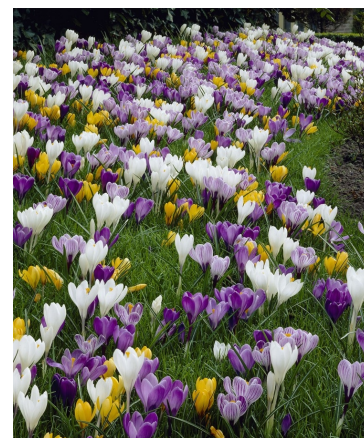

Stronger than Apeldoorn, this award-winner, circa 1951, has huge signal-red flowers with yellow-edged, black bases. Bulb size: 12 cm/up. Mid-April to May. 24". HZ: 3-7

Tulip Parade

Circa 1810, it has bell-shaped, reddish-violet flowers with darker midribs and purplish stalks. Top size. June/July. 16". HZ: 5-8.

Crocus Large Flower Mix

White, purple, blue and yellow. Bulb size: 9 cm/up. April. 5". HZ: 4-8.
